

SOCIAL MEDIA TASK ROUND

A quick note before you start:

This task is all about creativity, ideas, and how you turn simple content into something people actually want to watch, share, or engage with. There are no fixed templates or one “correct” approach, so surprise us!

Select either task 1 or task 2:

TASK 1 — CREATE A REEL

Create a 30–60 second Instagram Reel using photos and/or videos from our previous hackathon.

What to make: A Reel that captures the vibe, energy, excitement, people, moments, or experience of our previous hackathon.

Creative freedom: You can make any sort of Reel you want — cinematic, energetic, funny, aesthetic, storytelling, meme-style, trend-based, or anything else you think works.

Your goal: Make us want to watch till the end. Think about the hook, pacing, music/audio, text, transitions, storytelling, and overall feel.

Duration: 30–60 seconds.

OR

TASK 2 — CREATE CONTENT

Create any social media content that you think would work to promote a

hackathon You can choose ANY format. For example:

- Instagram Story / Story Series
- Instagram Post / Carousel
- Meme
- Reel concept
- Poster / Creative
- Trend-based content
- Interactive content
- Any other creative social media idea you believe would work

There are no restrictions on the format we mainly want to see your creativity and how well you can turn the hackathon into engaging content.
